**North Buffalo Community Church sends a team to Zambia, South Africa to  
volunteer among victims of HIV and AIDS**

Buffalo, N.Y. - July 3, 2010 - Members of North Buffalo Community Church (NBCC) will be “Sharing God's Love” in South Africa this month. From July 19-August 1, a team of four from the church and a member from another church in Detroit, Mich. will be flying to Zambia to help missionaries, Troy and Tracy Lewis. They will all be working with the people who are suffering from poverty and the HIV- AIDS pandemic.

The church believes that they can make a difference in this world. Pastor Smith said “Everyone is able to impact their world through mission partnerships like our “Mission Zambia 2010.” Pastor Bill also stated that through prayer and financial donations anyone who wants to can make a definite difference in the world. NBCC will demonstrate God’s love by serving with missionaries from the International Mission Board, the largest mission agency in our nation.

NBCC has a heart to serve the needs of people in Buffalo, the state of New York, the nation, and even in the most remote parts of the world. The church members have traveled to China, India Suriname, South America, Ghana West Africa, and Burkina Faso West Africa.

The team has invested thousands of dollars of their own money to devote their talents and resources to enrich the lives of Zambians through the ministry of the Lewis family and their partners. The NBCC men and women will show God's love to children by sharing gifts, clothes and medicine. All of their efforts are designed to support the people they meet with their everyday needs. Under Troy Lewis' leadership this Buffalo team will give, share, teach and minister in the name of Jesus their Lord.

The church is offering a free hard copy of a recent article that outlines what Troy is doing in Zambia. Mailing information can be requested via e-mail to [help@nbccwny.org](mailto:help@nbccwny.org) and an article will be sent to the address.
